VI. **Parkland Fee**

\$ 3,000. per approved new building lot*

VII. ***Filing Maps and Recording Instruments (Deeds, Declarations of Restrictions, Easement Grants, etc.)***

Note: An effort has been made to list the current fees and charges of the Orange County Clerk and the Orange County Commissioner of Finance, but in all cases the then-current charges of those agencies will apply.

The following checks need to be submitted and made out to:

<u>Commissioner of Finance:</u>	1-3 Lot Subdivision:	\$75.
(For filing a map)	4-9 Lot Subdivision:	\$125.
	10 or more Lot Subdivision:	\$100. + \$10. per lot

Commissioner of Finance: \$20. Filing Fee (flat rate)

Orange County Clerk: \$10. per page plus additional fee of \$3. per certification signature, over and above the first certification will be charged for certifying all maps except the original mylar, the paper copy for the Orange County Tax Map Department, and one copy for the filer.

* Parkland Fee. Thus, for example, in a subdivision of a lot already approved as a building lot into three (3) building lots, only two (2) lots would be counted in computing the Parkland Fee.

Orange County Clerk:

\$45. – for recording an instrument

\$5. – for recording, per page after cover page

\$125. To \$250. – to file the TP-584 (depending on property)

\$5. – to file the RP-5217

Notes: No plats or maps will be signed in behalf of the Planning Board until all fees, charges & disbursements are paid in full. All maps submitted for Planning Board final approval must have a blank box at least 4" X 4" at the lower right side of each page of the maps, for the final approval stamp, and additionally must comply with Blooming Grove Subdivision Regulations Section 210-8(A).
